

Intro for Annie Meehan

Let me begin with a few questions:

- Do your word choices have impact on the people around you?
- Are you an Influencer looking to better yourself and your community?
- Could you use some actionable tools to remove obstacles that get in the way of living your best life?

If you answered “**yes**” to any of those questions, you are in the right place.

Our speaker today previously worked in investment banking for 9 years, owned and operated 2 fitness franchise locations, and has grown a 250+ member direct sales distributorship. Annie is an award winning author and has spoken internationally. She is a board member and currently resides as the president of the National Speakers Association (NSA) – Minnesota chapter.

When not speaking, Annie can be found volunteering in the community, traveling with family, and walking (or being walked) with Peanut & Leo (her 2 little dogs).

Helping us today to live an **Exceptional** life, please join me in welcoming from Burnsville, Minnesota, speaker, award winning author and “human Pineapple” - **Annie Meehan**
